Guideline for Manuscript Submission Information for the 2027 Special Issue: *"Matching Agri-Food Systems and Ecosystems via AI"*

- **General information:** New Medit deals with the interaction of the different component of agrifood and environment system with an emphasis on the socio-economic transformation and policy implication at territorial, regional and country level. Furthermore, New Medit address to adopt an approach that allows for transferability and comparability with other area, regions or countries.
- **Length: the paper** should be around 8000 words/50000 characters long, balancing text, figures, and tables.

How to initiate a submission

Manuscripts should be submitted via the journal website https://newmedit.ciheam.org/ by the corresponding author.

1. Registered users

From the journal website, click "Submit / Review article", then log in to the journal. Please choose the ***dedicated special issue section*** "**Matching Agri-Food Systems and Ecosystems via AI**" from the drop-down menu in the "Section" field or use this direct link: https://journals.buponline.com/index.php/newmedit/submission/wizard?sectionId=41

2. New authors

If you are not registered:

1) Visit https://newmedit.ciheam.org/.
2) Click the "Submit / Review article" button in the header.
3) In the login page, click the "Register" button below the login form and create your user. Once all required data are inserted, you will be carried to the "Submissions" page.
4) Click on the "New Submission" button in the top right-hand corner to initiate a new submission.
5) Please choose the ***dedicated special issue section*** "**Matching Agri-Food Systems and Ecosystems via AI**"" from the drop-down menu in the "Section" field or use this direct link: https://journals.buponline.com/index.php/newmedit/submission/wizard?sectionId=41

Manuscript submission information

The submission and review process is explained in detail in the journal's Guidelines for authors. Here is a quick summary of what to do from the Submission page.

1. Carefully read and check all the Submission Requirements in the checklist.
2. Upload the **anonymous** Submission file, the cover page (with the title of the manuscript, the name, surname, affiliation and email of all authors; please highlight the corresponding author) and all the relevant attachments (e. g.: Figures, Tables, Funding, Acknowledgements…).
3. Fill in all the information required, including title, abstract, other authors **and their institutional affiliations**, keywords, etc… We will take care of the JEL classification.
4. Confirm and submit.

Subsequent steps and publication scheduling

Based on the Editorial Guest's evaluation, any revision request will be sent to the corresponding author. The final version of the paper should be *uploaded again* via the same platform.

Please refer to the Guidelines for authors for further details and other relevant information you may seek about the review process and the publication process.

Scheduling:

Paper Submission deadline 10 December
Review outcome notification 30 January 2027
